Updates

Peter Born has started work on the noticeboard. It's quite difficult to put notices on the other side!

Planning:

The Stables – Council objected to the proposal, giving that the new block would exacerbate the existing drainage issues, unacceptable intensification of a site already above capacity and lack of parking facilities.

Planning was given subject to a drainage plan, which was accepted by the planning department.

The Sladd – no decision yet. I didn't contact the planning department regarding the address, as the road is given on the Ordnance Survey Map used by the Council as The Sheepcote.
